

P3 Home Learning Choice Board Week 2

Chose a few activities. Once completed, post them to Toddle!

Let's get creative

In Maths, we have been looking at subtracting. Can you invent a board game using subtraction? E.g. start at 100 and you need to get to zero?

Let's get cooking

Last week, we looked at breads from around the world.

Can you bake bread from another country?

Let's get researching

How products change

When was the first bicycle invented? Have they always looked the same? Choose a toy or product children like and find out about the history of it. You could research:

- Bicycles
- Computer games
- Board games

Why did these things change?

Let's get reading

As part of our theme in English of Traditional Tales, how many different tales can you read? Can you read in Mother Tongue and English? Are there any stories that are the same?

Let's get mindful

Sometimes we need to relax and be calm. Why not try these mindful colouring sheets or a meditation:

<https://www.bestcoloringpagesforkids.com/mindfulness-coloring-pages.html> or <https://www.youtube.com/watch?v=1pHgF1AIYi4>

Let's get exploring

Nature walk - at this time of year, nature is quiet, but it is still there. What nature did you spot on your walk?

Let's get active

If you feel like a challenge, why not get fit with Joe Wicks! PE with Joe Wicks:

<https://www.youtube.com/watch?v=16FIVgWUkIY/>

Let's get artistic

Create a winter scene. You can use any medium you like e.g. oil pastel, paint, charcoal.
